## Principal's Report

**Welcome to 2022** - I would like to welcome everyone to the start of the 2022 school year and give a special welcome to all of our new students and their families. Our students have settled into their classroom routines and they are building positive relationships with their peers and teachers across the school. The Grade 6 buddies have been an excellent support for our new Foundation students and have helped them feel supported as they get use to school life.

**Start Up Program** - During the first two weeks of school, our students participated in a wide range of start-up activities to help ensure a positive and enjoyable start to their school year. As part of our Start Up program this year, all our students took part in the Backflip Against Bullying performance on Thursday 3rd Feb, which was both entertaining and informative.

**School Council Elections** If you are interested in the overall operation of our school and would like to have some input into its present and future direction, perhaps you would like to nominate for membership of School Council. School Council meets once a month with meetings usually lasting for about an hour and a half. As five of our current school council members have come to the end of their two-year term, there are 5 parent vacancies on School Council this year, so please think about nominating for one of these important positions. Nominations for the vacancies will open on Monday 14 February and will close on **Monday 28 February 2022**.

A Call for Nominations and School Council Information Sheet will be sent out on Compass on Monday 14 February and paper copies will also be available in the Office. The information sheet will outline the timeline for the Election process and provide you with information regarding the role of a School Councillor. If you would like any further information, please call the Office. **Our School Council AGM will be held on Tuesday 15 March at 6.30pm.**

**Meet and Greet Interviews** Thank you to all family members who took part in our Meet and Greet Interviews last Wednesday. Our teachers have all mentioned how valuable this process is in getting to know their students and their family members. If you were unable to take part in the interview process this week, please contact your classroom teachers to arrange a suitable time to have a chat.

**Arrival and Departure Times** We are aware that arrival and departure times for students may vary depending on family circumstances and transport arrangements for each family, however if possible, it is best if students arrive between 8.40 and 8.50 so that they are ready for the start of the school day when the first bell goes at 8.50am. We have teachers on duty between 8.45am and 9.00am and also after school between 3.30pm and 3.45pm for students who may need assistance.

**If you need to drop your child at school prior to 8.40am or if you are unable to pick them up before 3.50pm in the afternoon, we recommend that you enrol them in our OSHClub Out of School Hours Care program, to ensure their safety and wellbeing during this time.**

If your child arrives at school after 9:00 am, they will need to go straight to the Office so that they can be signed into Compass to ensure that our rolls are accurate and to be given a token to pass on to their classroom teacher. If your child needs to leave school at any time for an appointment and/or for an early dismissal, parents or carers need to come into the Office to arrange collection and to allow Office staff to enter an early departure time on Compass. Please note that unless a request is received in writing, students can only be released to a known adult. Similarly, students cannot leave the school ground by themselves at any time throughout the school day unless a written request is received from a parent/guardian and permission is given by the Principal.

**Playground Safety** To prevent accidents, students are not permitted to ride bikes, scooters or skate boards in the school or across the front of the school at any time. **To ensure safety for all our students, we do not allow students to play on the playground equipment before school at any time; and students are only allowed to play on the equipment after school if supervised by their parents.** Please also note that school rules related to playground and equipment use apply at all times.

**Update re New Verandah and Playground Development** We are looking forward to seeing several projects start this year including the new verandah around the Junior Unit, our new Natural Playspace and the resurfacing of our Basketball Court. These projects will start in either the Term 1 holidays or during Term 2.

**Mobile Phones and Wearable Communication Devices** We understand that students may bring a personal mobile phone or a wearable communication device to school, particularly if they are travelling independently to and from school. Students who choose to bring mobile phones to school must have them switched off and stored in the school office during school hours. **Students who have the Principal's approval must place their phone in the school office before 9.00 am and them for collect them from the Office at 3.30 pm.** Wearable communication devices, such as watches, can be switched on throughout the day, but the communication function must be turned off during school hours. Please refer to our [Mobile Phones and Wearable Communication Devices Policy](#) for further details.

**2022 Curriculum Days** - Our remaining Curriculum Days for 2022 will be held on the following days...

- Thursday 19th May - Curriculum Day - Day 3 of Berry St Education Model Training for All Staff
- Thursday 11th August - Curriculum Day - Day 4 of Berry St Education Model Training for All Staff
- Friday 9th December - Curriculum Day - Planning and Preparation for 2023

## Principal's Report continued...

**Dogs on School Grounds** Please also note that, with the exception of education support dogs and therapy/guide dogs, dogs are not permitted in the school grounds and we would ask parents not to bring dogs to school, even if they are on leads.

**Newsletters Distributed Fortnightly** Compass, our online communication portal, is our main communication device and it enables us to send important messages to our school community on a regular basis and at point of need, which is a real benefit to our school. In addition to the other messages sent out on Compass, we also distribute a school newsletter on a fortnightly basis which highlights the important events and contains valuable information for our school community.

**Annual Privacy Reminder** Our school collects, uses, discloses and stores student and parent personal information for standard school functions or where permitted by law, as stated in the [Schools' Privacy Policy](#). Please take time to remind yourself of the school's collection statement, found on our website [www.strathps.vic.edu.au/privacy-information](http://www.strathps.vic.edu.au/privacy-information). For more information about privacy, see [Schools' Privacy Policy – information for parents](#).

**Student Insurance Schemes** It is important to remind parents that the Department of Education (DET) does not provide personal accident insurance for students and that parents/guardians are responsible for paying the costs of medical treatment for injured students, including transport costs e.g. ambulance. Student insurance can be privately purchased and is available from commercial insurers. The DET cannot advise parents/guardians on whether to purchase a student accident policy or which policy to purchase.

**Ambulance Cover** We also strongly advise all parents to join an Ambulance cover scheme because the costs for transport can be very high. In the event of an emergency requiring additional medical intervention it is a DET requirement that we call an Ambulance to transport children to hospital irrespective of whether parents have ambulance cover or not. While this decision is not taken lightly, and we will make every effort to contact parents, this is not always possible and can be costly for families without ambulance cover.

**Safe Travel To and From School** It is important that parents discuss their expectations about how their children travel to and from school and how to be safe. It is safer if the students travel directly to and from school and that they do not play in transit.

**Non Smoking Area** As a government department, the school is a non-smoking area and smoking is not permitted anywhere on the school grounds.

**Personal belongings** All belongings, including clothing, must be clearly marked with the student's name and should be checked regularly to ensure all items remain clearly marked. Please do not allow students to bring valuable items to school as the DET and Strathfieldsaye Primary School do not hold insurance for personal property and valuable items brought to school by students, staff or parents.

**Money brought to school** It is requested that money be sent in a sealed envelope with the student's name, home group, amount and the reason for its enclosure on the front of the envelope. Any money that is sent to school with your child must be handed directly to the office. When siblings bring money for other family members, please mark this clearly on the envelope with written details of each student, home group and teacher.

**Parent/Guardian/Visitor Sign-in/out** For emergency purposes, all parents/guardians and visitors who are in the school during the school day (9.00am – 3.30pm) must call at the office and sign in at the book at the front counter on arrival at school and sign out when departing.

**Safe Driving and Parking around School** We have been advised by the City of Greater Bendigo to alert parents to the following information regarding parking and driving near schools. The responsibility for student safety is an important one for the whole community and I would ask all drivers to take particular care around school zones.

*"The illegal parking of vehicles adjacent to schools is a major concern to the safety of children, pedestrians and other road users. Parents are reminded that it is essential to comply with the parking restrictions when dropping off and collecting children from school. Motorists must not stop in no stopping areas, even briefly, with or without the motor running. They must not stop next to a continuous yellow edge line, park or drive on resident's nature strips, too close to school crossings, park over driveways or double park.*

*A number of schools have time restricted areas that assist with the pickup and drop off of students and these restrictions must be adhered to. **Drivers should also be aware that they cannot perform a U-turn over an unbroken or continuous dividing line.** The law requires that a driver approaching a children's crossing must drive at a speed at which the driver can, if necessary stop safely before the crossing. Please slow down and take extra care when driving in school zones.*

**City of Greater Bendigo Parking Officers and Bendigo Police will conduct random patrols throughout the school year to ensure that motorists are adhering to the road rules."**

Kind Regards, Cindi Bruechert, Principal

# OFFICE REMINDERS

## CSEF Application

If you believe you maybe eligible for the **Camps, Sports and Excursions Fund (CSEF)** and have not yet submitted your 2022 application, please contact the office. The CSEF is an annual payment of \$125.00 to the school to be used towards Camps, Sports and/or Excursion expenses for the benefit of eligible students. Applications are due by the end of Term 1.

## Criteria:

To be eligible for the funding, a parent or legal guardian of a student must:

- On the first day of Term 1, OR;
- On the first day of Term 2 Be an eligible beneficiary within the meaning of the State Concessions Act 2014, that is, be a holder of Veterans Affairs Gold Card or be an eligible Centrelink Health Care Card (HCC) or Pensioner Concession Card (PCC) holder, OR
- Be a temporary foster parent

## Medical Conditions and Medication

**Asthma** : It is essential that the school is fully informed of all students suffering from Asthma. If your child requires medication, including an inhaler, parents/guardians must provide this and should be given to the school office. This is particularly important when students are participating in sports events or going on excursions. The school also requires a copy of your child's **Asthma Management Plan**. Please note that all management plans need to be signed by your child's doctor and by a parent, before they can be enacted and have an expiry of 1 year.

## Allergies

If your child suffers from any allergies or reactions (e.g. to nuts, eggs, insect bites, plants etc) we require specific information and the recommended treatment to assist first aid staff to support the child in case of an emergency. We need to also have an up to date copy of the management plan to assist us in providing appropriate treatment. A Medication Consent Form will also need to be completed for any medication required to treat the child in case of an allergic reaction.

## Medication

If you require staff to administer medication to your child whilst at school, please ensure a Medication Consent Form is completed and handed to a staff member at the office, along with the medication. Medication will not be administered if dosage instructions are not supplied. Please note siblings cannot share prescribed medications. Medications need to be collected from the office at the end of the school day.

## Enrolment Forms

In the coming weeks, you will receive your enrolment forms via email. Please check over for any changes in address or contact details. Please only return forms to the office if there are any changes to be made.

## Chaplain Availability & Food Programs

Hello my name is Lynley Jordan and I am the Chaplain at Strathfieldsaye PS. I work 2 days a week on Thursdays and Fridays. Please contact your child's teacher or the school office if your child or family need my assistance.

I have a varied role and can help with social issues, school attendance, classroom assistance, family issues, out of hours care and much more!

A further role I have as Chaplain is to run Breakfast Club every Friday morning from 8.30am. We provide cheese toasties, fruit cups and milk. This is held in the middle of the school under the trees near the Library and Staff room entrances. All students are welcome to come along.

I want to acknowledge and sincerely thank those involved in the donations of food for this program as without them we can't offer this important service. I would love the school community to support these generous businesses.

They are:

**Strathfieldsaye Bakery** - 8 loaves of bread each week.

**Strathfieldsaye IGA** – a big pack of cheese slices each week.

**Foodbank Victoria** – an endless supply of fruit cups and 200ml milks.

Another big shout out goes to **The McKern Foundation** who donate at least 2 large boxes of fresh fruit each week, enabling all students to access to a healthy snack.

Feel free to reach out, I would love to assist you in any way I can.
