Principal's Report

School Saving Bonus Information In Term 4, 2024, families with a child enrolled in a government school from Prep to Year 12 in 2025 will receive the one-off \$400 School Saving Bonus. The \$400 School Saving Bonus provides families with support for education-related costs, such as school activities and/or school uniforms and textbooks. The School Saving Bonus is not available for full-fee international students, home schooled students, TAFE students and students attending kindergarten in 2025.

Actions for parents and carers Before 18 Oct 2024, the Department of Education is asking parents and carers to:

- Complete enrolment: If your child, or children are changing government school for Term 1 2025, or starting Prep or Year 7 in 2025. For more information, read about [Enrolling in School](#).
- Check your contact information: Ensure your email address and phone number is up to date with us. You can check this information by contacting us directly.

We need to ensure your contact information is up to date as the Department of Education will email you twice: in October, to verify your email address in November, with your \$400 School Saving Bonus and access to an online system. Please check your junk mail regularly to make sure you do not miss an important email. To learn more about the School Saving Bonus, download the [School Saving Bonus Information sheet for government school parents and carers](#) or visit vic.gov.au/school-saving-bonus.

Australia's Biggest Child Safety Lessons The award-winning Australia's Biggest Child Safety Lesson (ABC SL) is back to deliver important safety messages to children, for its eighth consecutive year. The 2024 livestreamed lesson will teach early primary years – aged 4 to 7 – enthusiastic consent, and upper primary years – aged 8 to 12 – affirmative consent. ABC SL will be livestreamed to hundreds of thousands of students on 3 September 2024 and most of our students will participate in the lesson either during the live streaming or at a different time throughout the National Child Protection Week.

Building on what students learnt in 2023 about consent, ABC SL 2024 will provide an easy way for teachers, parents and carers to have conversations about enthusiastic and affirmative consent confidently with children. Free ready-made age appropriate resources and lessons will explore how to recognise, react and report and practice strategies to use to receive or deny consent affirmatively. Some of these resources also include information related to the correct names for body parts and other sensitive but information. If you would like any further information regarding these lessons, please contact your child's classroom teacher.

Major Fundraisers for 2025 At our last School Council meeting, it was decided that our major fundraisers for 2025 would be our Community Fair which will take place towards the end of Term 1, 2025 and our Colour Run which will be held in Term 4 on Melbourne Cup Day, Tue 4 Nov 2025. If you would like to help out with the organisation of our Community Fair, please let Bec Soulsby know on Rebecca.Soulsby@education.vic.gov.au.

Straths Got Talent and Sports Colours Day On our last day of term, Friday 20 Sept, we will hold our Straths Got Talent Final which will start at 9.15am. This is always a really special event in our school calendar, so I am sure your students will once again enjoy this special celebration. Our JSC have also asked if they could hold a 'Sports Colours Day' on this day. It will be a gold coin donation and students can choose to wear any sporting colours they wish or come out of uniform. The JSC have recommended that the funds raised on this day be donated to the Royal Children's Hospital and I am happy to approve this.

2024 Pupil Free Days

- Term 4 Friday 11 October - Curriculum Day 3 Teacher Professional Learning
- Term 4 Friday 29 November - Common Professional Practice Day
- Term 4 Monday 2 December - Curriculum Day 4 2025 Curriculum Planning Day

Kind Regards, Cindi Bruechert Cindi.Bruechert@education.vic.gov.au

PE	Landen N	For listening well and participating well during the PE lessons.
Library	Della H	For participating in book discussions in Library and completing all tasks to a high standard. Great work Della
Digi Tech	James M	For demonstrating excellence with the Lego Bits and Bricks coding program
Visual Arts	Ruby R	For drawing some great characters in her artwork "Monsters V's Aliens."

FATHER'S DAY BREAKFAST

On Friday 30th of August we had our Fathers Day Breakfast where Dads & Carers where able to have a complimentary a bacon and egg muffin. It was a great turnout with lots of Dads & Carers coming in to have a special breakfast with their children.

We would like to say a big thankyou to the following people

- Dave, Mick & Tom & Bob from Kiwanis Bendigo
- Jade & Parent & Staff Volunteers including
- KR DON Castlemaine, Mc Keans Eggs & Coles Mclvor Road.

Performing Arts

Room 6 & 8 Learning about Texture in Music.

Room 21 and 23 Playing Kpanlogo on the djembe and African Percussion.

Myah and Harper making music on BandLab

The Big Sing group practicing for their performance.

LOTE

The Bendigo Chinese Language Participation Weeks aim to encourage, celebrate, and showcase the language skills of Bendigo students. This year, a variety of activities are available for the students, including a Vase Design Challenge, Chinese Character Drawing Challenge, Counting Challenge, Singing Challenge, and Speaking Challenge.

We would like to invite your children to participate online or on-site for a chance to enjoy a fun day of language performances and Chinese cultural activities at Bendigo Senior Secondary College. Participation is voluntary, and we would like to thank our families for their support and our students for their participation in advance. Students can participate in one or more of the challenges based on their year level. For more information, please contact Ms Dwyer or visit the website <https://bendigomandarin2024.weebly.com/>.

Chinese language Participation Weeks 2024

On Friday 20th of September, we are having our Footy/ Sport colours day where students can come dressed in the colours of their favorite sports team.

Please bring along a gold coin donation that will be donated to the Royal Children's Hospital

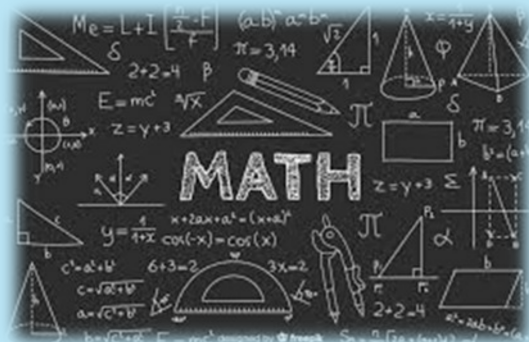

Using Mobile Devices to Encourage Mathematical Thinking in Children

There are many applications (apps) available for mobile devices (e.g. Phone, tablet, iPad). Many generic apps come with these devices, while others may be downloaded from app stores. We recommend FREE apps, best downloaded while connected to WIFI. Look for the Lite version of apps. This is a good way to try an app for free and then upgrade for a small cost if you feel the app is exactly what you are looking for.

The suggestions below are for apps that come with the most devices:

- Go to the app store and search the category Sports for those of interest to your child. Exploring and comparing team and individual results can be quite mathematical.
- Using the Camera App, your child could photograph everyday objects and sort them into similar shapes take a photo of one object from different views: (e.g. above, front, side) or take a sequence of photos as an event is occurring (e.g. building a tower with blocks) and then challenge the family to place them in the order they might have been taken.
- Maps Apps -Your children can use these apps to plan the route to their next party or outing with the family.
- Calendar Apps- We live our lives around our calendar, so children must understand its structure. Have your child add family events to the calendar.
- Weather Apps - Children can check the weather app a week/day before some event to assist in planning.

On Friday, the 23rd of August, the Energy Breakthrough team travelled to the Bendigo Livestock Exchange in Huntly to participate in the Test and Tune Energy Breakthrough Day. About 20 of us Year Six students had the chance of a lifetime to participate in the Energy Breakthrough Test and Tune Day at the Bendigo Livestock Exchange. This event was a thrilling opportunity to get into the trike, become familiar with the vehicle, and learn how it works. One of the best memories from the day was the fantastic teamwork. Everyone was helping each other out and cheering as loudly as we could for our teammates in the vessel. During our one-hour lunch break, we organized an NFL (American Football) match with Victory Christian College, which everyone involved thoroughly enjoyed. It was an exhilarating experience, whether we were in the vessels (Energy Breakthrough Vehicles) or not, and it was generally a fantastic day to be out and have fun. It was also great to see kids from across Bendigo and the wider community socialising and enjoying themselves.
Written by Eoghan Rowley, Alex Murphy and Flynn Vaughan

Blurbs Performance

On the 22nd of August 2024, the BLURBS came and performed at our school for Book Week. This funny performance included magic tricks, storytelling, music, dancing and singing. Throughout the performance some teachers and students were invited up to the stage to perform with them.

Most students and teachers dressed up as a character from a book to celebrate book week. The most popular characters were bananas, Harry Potter characters, Roald Dahl Matilda and lots of characters from Marvel. There was also a small handful of people who decided not to dress up at all.

Throughout the performance the BLURBS acted out "The Bird with Arms", "Timeless" and "Eww Gross!" They did it in a way that was funny and made everybody engaged.

Throughout the performance, they did a variety of magic tricks. Examples include, making a cookie, ice cream and some people disappear, turning someone's head all the way around, making a rabbit appear in a hat, as well as cutting one of the teaches in half, and making a ribbon come out of someone's mouth.

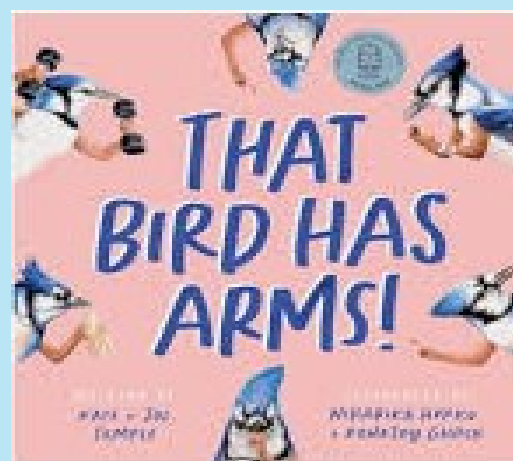

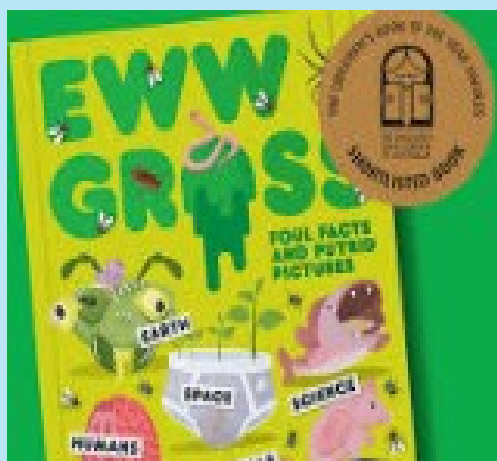

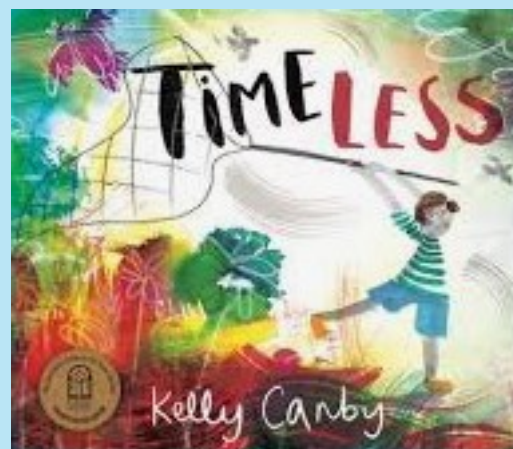

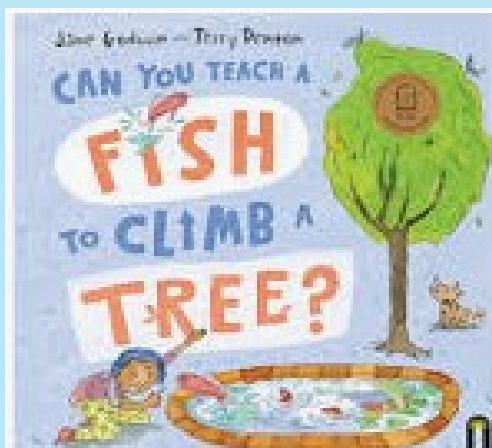

"I don't suit a ballerina but I thought it was funny" – Jason Hague

"It was fantastic and really funny" – Melinda West

Overall both students and teachers had fun watching the blurbs performance. The performance was very good and boosted everybody's mood. We can't wait for them to come back next year.

Chloe, Rachel, Lucy and Liv

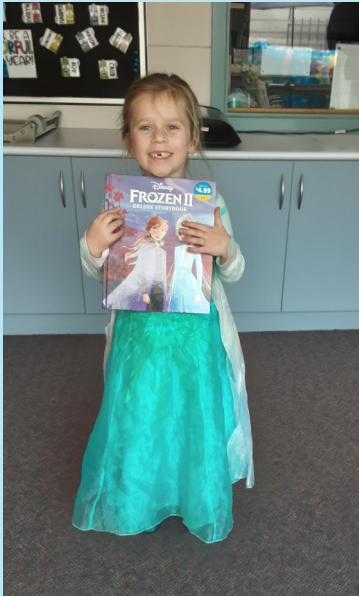

Reading is Magic.

THE ATHLETE DEVELOPMENT PROGRAM 2025

The Athlete Development Program is a select-entry program available to all students enrolled (or intending to enrol) at any of the Bendigo Education Plan Government Secondary Colleges. This includes Bendigo Senior Secondary College, Bendigo South East College, Crusoe College, Eaglehawk Secondary College and Weeroona College Bendigo.

We offer programs in AFL, Athletics, Basketball, Cricket, Cycling (TBC), Netball and Soccer.

All coaching and physical training is carried out by highly qualified and professional staff who already monitor workload and wellbeing. Student-athletes in the ADP are held to requirements to retain their position. These are based around academic and behavioural standards, attendance, and effort. All of these requirements are identified in the Student-Athlete Agreement which every member of the program signs when accepting a place in the program.

More information is available at <https://www.adp.vic.edu.au/>

Application documentation will be available via the ADP website (above) and via the following contacts at their respective colleges.

Bendigo Senior Secondary College - Dean Sheldrick	Sheldrick.Dean@BSSC.EDU.AU
Bendigo South East College - Isaac Murphy	Isaac.Murphy@education.vic.gov.au
Crusoe College - Nic Facey	Nicholas.Facey@education.vic.gov.au
Eaglehawk Secondary College - Darcy Richards	Darcy.Richards@education.vic.gov.au
Weeroona College Bendigo - Liam Ireland	Liam.Ireland@education.vic.gov.au

APPLICATION TIMELINE

Applications Open: 26th July

Applications Close: 30th August

Physical Testing: 18th September (sessions are approximately 1 hour and scheduled throughout the day)

Technical Squad Trials: 7th October – 18th October

Outcome Notification: 8th November

Bendigo Senior
Secondary College

Term 3 Week 7

What we have been up to!

The last two weeks have been creativity and excitement! From creating bookmarks, and comics for book week to practicing our basketball skills, table tennis and soccer skills on the oval we explored different areas of play!

We loved embracing Book Week with the kids showing their magical skills in designing their own wands, and making sorting hat chatter boxes.

Contact us: 0461 267 714
Before School Care: 6:30AM - 8:50AM
After School Care: 3:30PM - 6:30PM
Holiday Program: 6:30AM - 6:30PM

Theme Days

We are so excited to launch our theme days for After School Care. Come and join us on the following days for creativity, sports, computer club and TC Tucker!

Active Monday's: each week we will explore a different sport, encouraging the children to move their bodies

Computer Club Wednesday's: Our grade 4, 5 and 6's have the opportunity to develop their computer literacy each Wednesday with computer games and activities planned by educators.

TC Tucker Friday's: time to get creative in the kitchen with some delicious recipes. Eat here or take home to enjoy with the family!

Thank you 😊

A huge thankyou to Dough SI Dough Bakery Strathfieldsaye for their donation of bread; to Strathfieldsaye Supa IGA for the cheese they donate; and also to the McKern Foundation for donating fresh fruit.

We really appreciate your support!
